Let the Light In

[Reading: The Light is right here](#)

*The people walking in darkness have seen a great light;
on those living in the land of deep darkness a light has dawned.*

Isaiah 9:2 NIV

*Before the world began, the Word was there. The Word was with God,
and the Word was God. He was there with God in the beginning.
Everything was made through him, and nothing was made without him.
In him there was life, and that life was a light for the people of the world.
The light shines in the darkness, and the darkness has not defeated it.*

John 1:1-5 Easy-to-Read Version

*Later, Jesus talked to the people again.
He said, "I am the light of the world.
Whoever follows me will never live in darkness.
They will have the light that gives life.*

John 8:12 Easy English Bible

*I have come into the world as a light, so that no one who believes in me
should stay in darkness.*

John 12:46 NIV

Keep Letting The Light In

Keith and Kristyn Getty

Stars danced
When you were born
The moon smiled in the sky
Then with that first sun rise
The light poured in your eyes
So little did you know
How quickly you would grow

Long days
Oh, how they rush by
You were bubbling over in my arms
Now you're dancing unaware
By the mirror without a care
So little did you know
How quickly you would grow

I'm here
Whispering in your ear
Oh, keep letting the light in
Keep letting the light in
Keep letting the light in

Night falls
You're scared in the dark
Time has wakened a maze in your mind
Do you wrestle with the shadows?
Do you cover all the windows?
So little did I know
How quickly you would grow

I'm here
Whispering in your ear
Oh, keep letting the light in
Keep letting the light in
Keep letting the light in

Like waves on the ocean another year fades
Some burdens are lifted, some burdens remain
Sun rises and sets on all that is made
Where tables are full or now missing a face
He who said let there be light
Will surely overcome the night

As another day begins
Keep letting the light in

He's here, He's here
He's here, He's here

He's here
Whispering in your ear
Oh, keep letting the light in
Keep letting the light in
Keep letting the light in

He's here
Whispering in your ear
Oh, keep letting the light in
Keep letting the light in
Keep letting the light in
