My Sure Foundation

[Song: Faithful God. Laura Story](#) *(Lyrics on pages 2)*

A Prayer: Richard Foster: Prayers from the Heart

I am, O God, a jumbled mass of motives.
One moment I am adoring you,
and the next I am shaking my fist at you.
I vacillate between mounting hope, and deepening despair.
I am full of faith, and full of doubt.
I want the best for others, and am jealous when they get it.
Even so, God, I will not run from your presence. Nor will I pretend to be
what I am not. Thank you for accepting me with all my contradictions.
Amen.

*But the solid foundation that God has laid cannot be shaken;
and on it are written these words:*

“The Lord knows those who are his” ...

2 Timothy 2: 19a GNT

Faithful God

Laura Story

May the grace that sought my heart on that first day
Be the grace that binds my heart to stay
May the truth that opened up my eyes on that first time
Be the thoughts on my mind that never go away
For You are a lamp to my feet
A light to my path
You're the hand that's holding me
Faithful God, every promise kept
Every need You've met, faithful God

May the love that caught my heart to set it free
Be the love that others see in me
And may this hope that reaches to the depths of human need
Be the song that I sing in joy and suffering
For You are the love that never leaves
The friend that won't deceive
You're the one sure thing
Faithful God, every promise kept
Every need You've met, faithful God
All I am and all I'll ever be
Is all because You love faithfully
Faithful God

How deep, how wide the love
That pierced His side, the love
Redemption's mine, oh love
That will not let me go
How deep Your love
How deep, how wide the love
That pierced His side, the love
Redemption's mine, oh love
That will not let me go
How deep, how wide the love
That pierced His side, the love
Redemption's mine, oh love
That will not let me go
Faithful God, every promise kept
Every need You've met, faithful God

All I am and all I'll ever be
Is all because You love faithfully
Faithful God, faithful God

The Everlasting Love Of God

Matt Boswell, Matt Papa

How vast the everlasting love of God,
How sure and faithful as the morning.
This love so great for us could never fail
Nor end, for it had no beginning

How strong the Father's beating heart for us,
What mercy runs to meet the sinner.
As rivers yearn to reach the lowest place,
His grace shall flow to me for ever.

O, the everlasting love of God,
It shall ever be my song
So immense and free; more than life to me!
The everlasting love of God

How great and precious my Redeemer's blood,
How pure the passion of the Saviour.
My sins are drowned beneath this mighty flood,
My soul is swept away with wonder

O, the everlasting love of God,
It shall ever be my song
So immense and free; more than life to me!
The everlasting love of God

How deep the measure of the Spirit's work
Who dwells in us, Who seals the promise
God's love through time and all eternity
Shall stand and we shall stand upon it
What now could separate us from it

O, the everlasting love of God,
It shall ever be my song
So immense and free; more than life to me!
The everlasting love of God
O, the everlasting love of God,
It shall ever be my song
So immense and free; more than life to me!
The everlasting love of God
The everlasting love of God
