

Quiet Moments with God

Allow these Quiet Moments to draw you into a time of refreshing, reflection and rest with the Lord. Breathe deeply. Become still.

Quiet

[Song: I Will Wait. Katie Peters](#) *(Lyrics on pages 2&3)*

*Prayer:

*I have, O Lord, a noisy heart.
And entering outward silence doesn't stop the inner clamour.
In fact, it seems only to make it worse.
When I am full of activity, the internal noise is only a distant rumble;
but when I get still, the rumble amplifies itself.
And it is not like the majestic sound of a symphony rising to a grand
crescendo; rather it is like the deafening din
of clashing pots and clanging pans. What a racket!
Worst of all, I feel helpless to hush the interior pandemonium.*

*Dear Lord Jesus, once you spoke peace to the wind and the waves.
Speak your shalom over my heart. I wait silently...patiently.
I receive into the very core of my being your loving command,
"Peace, be still."
Amen.*

A Prayer for Quiet by Richard Foster

*Then He arose and rebuked the wind, and said to the sea,
"Peace, be still!"
And the wind ceased and there was a great calm.*

Mark 4:39 NKJV

I will wait

Katie Peters

Lord I come to you I give you all I am
My successes and my failures I lay down
I surrender my perceptions
I'm trusting in your grace
So I enter your presence to wait

In the stillness
In the quiet
All my shame falls away as I seek your face
I hear you calling
Gentle whispers
You're beckoning me to your heart

When I come to you
You wrap your love around me
And the breath of your spirit lights my soul
Then my guilt and misconceptions
Dissolve in your embrace
And what's left of me falls at your feet

I am broken
By your mercy
For it's here in my weakness you show your power
You take my pieces
Fit me together
As a masterpiece I've never known

In the stillness
In the quiet
All my shame falls away as I seek your face
I hear you calling
Gentle whispers
You're beckoning me to your heart

I will wait (4x)

In the stillness
In the quiet
All my shame falls away as I seek your face
I hear you calling
Gentle whispers
You're beckoning me to your heart

I am broken
By your mercy
For it's here in my weakness you show your power
You take my pieces
Fit me together
As a masterpiece I've never known

In the stillness
In the quiet
All my shame falls away as I seek Your face
I hear You calling
Gentle whispers
You're beckoning me to Your heart

I will wait
I will wait
